Dear Bikash Chamua (Application No: 241EP100605),

Congratulations on your selection to the MTech programme under the prestigious Early Admit MTech scheme at IIT Gandhinagar in the department of Computer Science and Engineering! You are about to join a dynamic institution that is committed to innovation and excellence in education. We take tremendous pride in our novel approach to academics and our futuristic outlook, and look forward to having you join us soon in this exciting endeavour. Our vision and mission statements are enclosed.

You are required to arrive at the Institute campus by 5 PM on 17 July 2024. The joining and registration procedures have to be completed on 18 July 2024. The last date for payment of fee to secure your admission is 15 December, 2023. You are required to attend the orientation programme, "Aarohan" details of which will be shared in due course.

The general terms and conditions of your admission are also enclosed (Enclosure 1), along with details on fee payment (Enclosure 2). Kindly note the deadline for fee payment carefully. You will receive Institute fellowship as per norms.

As an institution, we are committed to adopting the best standards and practices in education. We therefore take an uncompromising position on ethical conduct and human values. We believe in equal opportunities for all and are committed to a policy of non-discrimination against any individual based on his/her ethnicity, caste, religion, gender or socio-economic status. We also have a "zero tolerance" policy towards ragging, harassment and bullying of any sort (Enclosure 3). You are also required to submit a signed statement on good conduct and academic honesty (Enclosure 4).

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 5). Hostel rooms may have to be shared with other students. The Institute can currently accommodate only very limited guests of the students inside the campus. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for guest accommodation outside the campus.

IIT Gandhinagar is a modern campus with a number of facilities available for our students. The list of campus facilities is available at https://campus.iitgn.ac.in/facility/. We are also a green campus, and all members of the community are encouraged to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted.
